

PORTFOLIO CASE / 2026

COUTURE COLOR

OBJECTS OF DESIRE

A couture lipstick collection
with a face, a gesture, and a trace.

CONCEPTUAL BEAUTY EDITORIAL / ENGLISH

COLOR IS A COUTURE GESTURE.

Not an accessory to a look — a small,
precise object that finishes a point of view.

FORM

a tailored case

PIGMENT

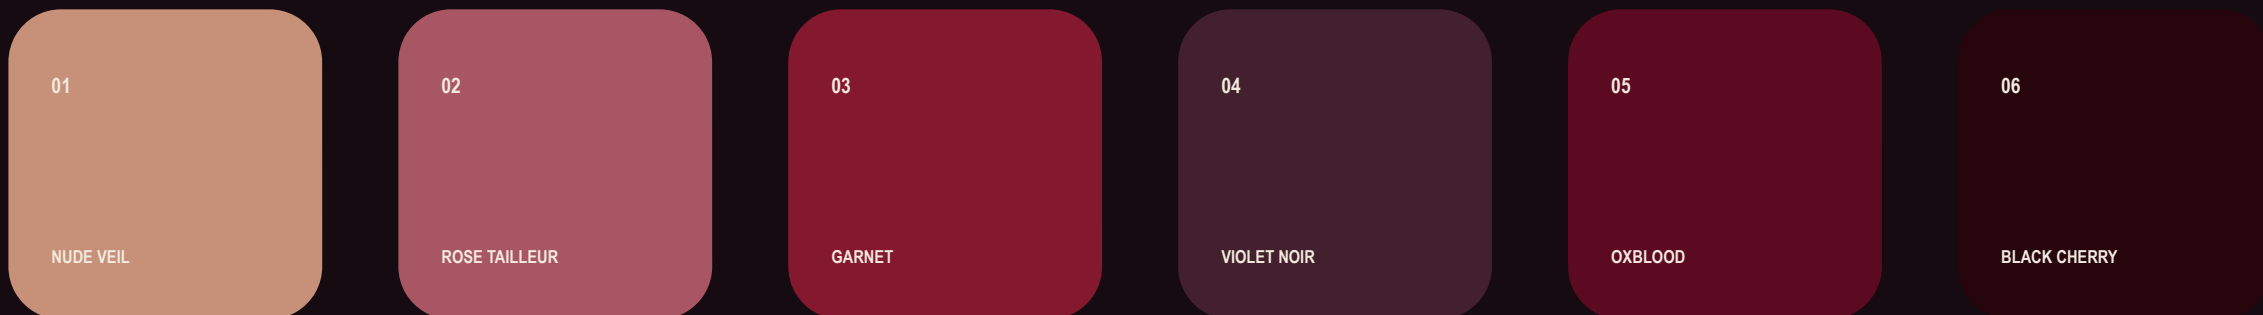

a held intensity

RITUAL

a private finale

SIX SHADES. ONE AFTER-DARK SILHOUETTE.

A wardrobe is not a spectrum. It is a sequence of attitudes.

THE COLOR SYSTEM IS ENTIRELY EDITABLE: SWATCHES, NAMES, ROLES, AND ORDER.

TAILORED TO THE HAND.

The case is conceived as an architecture
of proportion, weight, and interruption.

PROPORTION

A narrow column
meets a broad base.

01 / BULLET

an oblique, held edge

02 / COLLAR

a warm metal pause

03 / CASE

a lacquered vertical

04 / MATERIAL CHOREOGRAPHY

PIGMENT HAS A MEMORY.

01	LACQUER	depth / reflection
02	METAL	weight / temperature
03	PIGMENT	gesture / trace

The material story must be readable
before the product is named.

A SINGLE, HELD LINE.

APPLICATION IS THE LAST
TAILORING MOVE.

A line that does not decorate.
A line that decides.

EDITABLE SVG SWEEP / NATIVE COLOR TRACE

THREE TONES. THREE POSTURES.

THE NUDE

quiet structure

THE ROSE

soft armour

THE RED

held intensity

07 / THE RITUAL

A PRIVATE FINAL LOOK.

The collection belongs on a dressing
table
before it belongs to a campaign.

RETAIL SETTING

Low light. Warm metal.
A deliberate pause.

COUTURE COLOR / CONCEPT ONLY

REVEAL, HOLD, LEAVE A TRACE.

THE OBJECT

a single red form

THE WARDROBE

six intentional shades

THE GESTURE

one held application

THE RITUAL

a private finale

A release system built around attention — not fabricated reach, sales, or performance claims.

MAKE COLOR A POINT OF VIEW.

Couture is not excess. It is the discipline
of deciding what the object needs to say.

COUTURE COLOR / A FICTIONAL PORTFOLIO CASE

All imagery generated for this case. Product language, geometry, and typography remain editable.
